Boonsville, Ind., Sept. 24.—William Duffendoll, aged 17, was found guilty of the murder of his 70-year-old mother, by a jury yesterday. The jury fixed his punishment as imprisonment for life in the state prison. In confession to the sheriff and coroner young Duffendoll held that the shooting of his mother was accidental. He said he and his mother

were out squirrel hunting when his gun was accidentally discharged and his mother fell wounded. To him and her suffering he told the authorities he fired two shots into her back. He said he left the body and returned home. The authorities asserted young Duffendoll held that the shooting of his mother was accidental. He said he and his mother

Premier Greenfield And His Government

**WILL SEEK TO PROVIDE
ALBERTA WITH SANE AND
HELPFUL ADMINISTRATION**

In continuation of his purpose to dispel the existing misconception in the province of the Farmers' movement, Premier Greenfield delivered an address before the Edmonton Board of Trade at a recent luncheon. The speech followed the general lines of a previous one given at a Rotary meeting in the Macdonald.

The premier was greeted, upon arising to make his address, by vociferous applause, which culminated in the according of three resounding cheers as a welcome to the Farmers' leader. At the conclusion of the speech, a fervent and characteristically convincing former Hon. Mr. Greenfield received an even heartier vote of thanks, and President S. B. Woods, of the board of trade, expressed the gratitude of the meeting.

Premier Greenfield told of the inauguration of the Farmers' political party, of the principles of operation, and the steps it had taken to build up an intelligent vote. Widespread educational work was now under way, he said, with a view to creating a solid, self-respecting citizenship in the province of Alberta.

The Farmers' organization, the premier took occasion to point out is active every day of the year. Unlike so many political bodies, it is not something which springs up at election time, to remain inert during all other periods.

By giving various facts in connection with the recent election campaign of the Farmers in this province, Hon. Mr. Greenfield tried to show that "every card was on the table, face up." The new government, he thought, could be depended upon to do all within its power to give Alberta sane and helpful administration.

The premier referred to the economic interest that had brought about the inauguration of the F.P.A. as the main method by which the Farmers' party could be kept intact, but explained also that selfish ideas alone would not guide the government in its action.

Rally Day at Union Church

There were large attendances at the Rally Day services in the Union church, both morning and evening. In the morning a special programme of hymns, readings, etc., was rendered. In the evening brief addresses were given by H. H. Cotton, G. H. Cummings and the pastor, and special music was given by an augmented choir.

On Monday evening the rally social was held. The church was crowded, and both young and old had a splendid time. The Girls' Club gave an amusing sketch, entitled "The Ladies' Sewing Circle," and also sang a chorus in acceptable style. Mr. Glendinning was very effective with two fine songs. Miss Merle McCurdy and Ethel Strouse sang a duet, and little Stella James pleased all by her song. Vivian Peterson gave a reading, and Mr. Glauzer sang a Swiss ballad while Miss Peterson was an efficient accompanist.

An interesting feature of the programme was an impromptu speaking contest on the subject of "Women's Rights." There were ten competitors, and all did admirably. The programme over, Miss Mac Leys took charge of the games, and the ladies served excellent refreshments.

Donation Of Wheat Will Be Asked From Farmers Of Canada To Help Armenians

Winnipeg, Sept. 29.—A donation of at least 10 bushels of grain, preferably wheat, will be asked from the farmers of Canada by the American Relief Association of Canada, to help avert the death of thousands of people in the famine-stricken Russian Caucasus and Armenian lands.

Representatives of the relief association have conferred with representatives of agricultural interests of the province who have promised that the proposition will be laid before the various subordinate bodies with an urgent plea for definite immediate action.

The proposition has the endorsement of many and elevator representatives and members of the provincial government. Officials of the railroads have promised to transport the grain without cost.

CABINET MINISTER SELLS PUREBRED HERD

For the sum of \$25,000, W. W. Smith, minister of railways and telephones in the provincial government, has disposed of his fine Hereford herd at Camrose to the Kleinhans Ranch company at Sexsmith, Alberta. This is said to be the largest sale of purebred livestock made in Northern Alberta. The herd included 150 head, all of the Fairfax Hereford breed that has given so many prize winners to the western show rings. A purebred Percheron stallion was also bought in the deal.

Mr. Smith's decision to dispose of the herd came through his inability to give the herd the attention needed, since he has moved to Edmonton on entering the government.

The cattle will be shipped to Sexsmith and will be added to the ranch company's herd there, which now numbers 1000 head.

OTTAWA
OF
TOWN AND
DISTRICT

Local News.

Dr. and Mrs. Brander and family, of South Edmonton, paid our town a visit on Sunday.

Mr and Mrs A. A. Graham and Mrs G. Gordon motored to Edmonton over the week end.

L. E. Martin, of Santa Ana, Cal., is visiting with his parents and other relatives in town and district.

Mrs Roy Alexander and family arrived home last week from a visit to relatives in North Carolina.

Several very bright sun dogs were seen in the sky Saturday morning. Our wise heads shook their heads; a change in the weather!

About a dozen young lads from town and district left the first of the week to enter the University of Alberta. May good luck be with them.

A. B. Fraser has lifted a great crop of potatoes, and brought a sample to town Friday that would be hard to beat. By the way, have you seen Jim Marshall's potato?

The firm of Jensen & Kleckner, butchers, has been dissolved, and in future the business will be run by Mr Kleckner.

Thos. McNish, of Portland, Oregon, is in our midst on a business visit. He has a fruit farm in the outskirts of the city, and is doing nicely. Of course he is receiving a hearty welcome from his many old Ponoka friends.

Mr and Mrs J. G. LaFrance left on Friday for Los Angeles, where an important meeting of bankers is being held. A. D. Jardine will be in charge during Mr LaFrance's absence.

Parties who have been visiting the Peace River district lately bring back reports of meeting many old Ponokites. Among the number is Jake Koepfel, who is doing well at freighting out of the town of Peace River to central points in the district.

Threshing operations are well advanced, and the same story is being told—a bigger yield than expected. Our farmers, in comparison with others, have much to be thankful for.

But little change has been made in the train service for the winter on the C. & E. lines. This will be pleasing information for our citizens as the service is very satisfactory. The changes are given in this issue.

Joe Wyman returns from the Peace River with glowing accounts. Never expected to see such a country. The crops are magnificent, and the development that is taking place is wonderful. During the visit Joe indulged in some hunting, game being plentiful, but in this to had disappointing luck, having forgotten to take his bag of salt along.

A grand dance in Ferrybank Hall on Friday evening, October 7th. Everybody welcome.

BEANER.—On Wednesday, Sept. 21st, to Mr and Mrs John Beaner, a daughter.

DICK.—On Sunday, September 25th, to Mr and Mrs Wilbur Dick, a son (still born).

FISH.—On Sunday, September 25th, to Mr and Mrs R. W. Fish, of Kerriair, a daughter.

Mr and Mrs James Bell, of Nevada, are on a visit to their parents, Mr and Mrs John C. Bell, and other friends. This is Mr Bell's third visit to our district, the first time was some twenty-three years ago, and he can hardly believe the change that has taken place in that time. Too depot and a few insignificant shacks in town, while the country was a wilderness.

The soldier boys on the reserve are having their crop threshed, and the yield turning out most satisfactorily. To W. J. Kerr falls the honor of hauling the first load of wheat over the new bridge on the Boldair. His Marquis wheat gave 36 bushels to the acre, while Kitchener went 31 bushels. Mr Kerr had the pleasing experience to get some 500 or 600 bushels more wheat than he expected, and this has netted him a nice little sum. The same story can be told of all the lads on the reserve. Working hard, they are getting their farms into fine shape, and in a year or two will be numbered among our most prosperous farmers. It would surprise some of our people to see how the settlement is being developed.

Programme and basket social in Wood River Hall, Friday, October 7th. Proceeds towards Wood River Hall. Ladies please bring baskets.

The Local Branch of the Teachers' Alliance will hold a meeting on Saturday, October 1st, at eight p.m., at the home of G. L. Laycock. All teachers are invited to attend.

E. M. LAYCOCK, Local Secretary.
Lady's wrist watch lost in town. Finder will please leave at Herald office.

Brady & Morgan have a special price on 14-in. gang plows—Complete at \$145.00.

Two Rooms to rent. Suitable for housekeeping; partly furnished. Phone 74, Ponoka.

M. M. Mockenburger, the well-known Edmonton eyesight specialist, is leaving for Grande Prairie and Peace River oil fields. If not killed while dying, will be here again on November 20.

THE PIGEON LAKE OIL FIELD

The people of Wetaskiwin are becoming excited over the fact that the contract has been let for the drilling for oil in the Pigeon Lake field, about twenty-five miles west of the city by the Mutual Oil and Development Co., Limited, which has control of about 3,000 acres of land. The successful tenderers were Scott & Higginson, and they will commence operations as soon as the rig can be hauled to the ground. It was very gratifying to the directors that enough stock was sold in the thirty days following the filing of the prospectus to warrant the contract being let to the drillers, as required by the Utilities Commission. There is every surface indication of oil in the territory east of Pigeon Lake, and it is the report of geologists that the field should be found not lower than one thousand feet.

JAIL AND LASH GIVEN TWO MEN FOR ROBBERY

Wetaskiwin, Sept. 27th.—Ten years' imprisonment at Prince Albert penitentiary with twenty lashes each, was the sentence imposed on two young men named Parker and Rowen at the criminal court here yesterday by Judge Walsh. The prisoners pleaded guilty to robbing and doing violence to a woman at Selkirk, and claiming her body on the railway track shortly before the arrival of a train, presumably with the expectation that their crime would not be discovered.

Los Angeles, Sept. 27.—Opening of an inner torpedo door while the on board shatter was opened and failure of an interlocking device caused the sinking last night of the navy submarine R-6 with a loss of two lives, in San Pedro harbor, it is officially announced at fleet headquarters.

Mannheim, Germany, Sept. 26.—It is estimated that 70,000 persons yesterday attended the funeral of the victims of the Lösswälder cemetery. The French military authorities were represented by General Lantz and Dandl. Both these officers brought wreaths and expressed condolence to President Ebert and Premier L. Kaas. Herr Ebert, replying, said he was touched by the manifestation of human sympathy which had advanced the barriers arising from the war.

A CARD OF GREAT IMPORTANCE

Sometimes a theatrical event happens of such great importance that it stands out above everything else during the current season like a beacon light in the history of human progress. Such an event is now about to occur in this city. Every once in a while I have the pleasure and the honor of presenting some extraordinary attraction of great magnitude. Using my previous experience on such special occasions, I desire to give single warning to my patrons of an opportunity that should not be neglected, so that they may secure seats well in advance.

The extraordinary attraction which I am now about to present to my patrons is the big spectacular and sensational offering "Aphrodite" which created such a furore in New York a season ago at the Century Theatre in that city, and which was the sensation of Paris when originally presented there prior to its New York production.

I have just completed arrangements with Messrs. E. Rex Comstock and Morris first whereby this gigantic offering in all of its Oriental beauty and magnificence will be presented at the New Empire Theatre for three days commencing Thursday, October 26th, at 8 p.m., Matinee on Saturday.

Ticket-seekers who keep in touch with theatrical events do not need to be reminded of the extraordinary demand for seats which took place in New York when "Aphrodite" was first presented. Tickets were eagerly bought up by speculators who sold them for as high as \$200 each for the opening night. The reviewers declared the play a sensation. The theatre was packed to the doors for the entire season and thousands of people were turned away during the extraordinary New York engagement.

Now Messrs. Comstock and Rex are presenting "Aphrodite" on tour with this enormous company of 300 people, with 10 big scenes, "Aphrodite" when done in Paris was hailed as the world's greatest and most sensational play. It has since duplicated that success in New York, Chicago, Philadelphia and Boston. It will be presented here in all of its resplendent glory.

Mail orders for all performances will now be received. Enclosed self-addressed stamped envelope for return of tickets and proper remittance. Price: Night, \$1.00, \$1.25, \$2.00, \$2.50 and \$3.00; Saturday Matinee, \$1.00, \$1.25, \$2.00 and \$2.50.

I believe the engagement of "Aphrodite" will be the most sensationally successful event in the history of this theatre.
